G. Risk Management Plan:

• Potential Risks:

1. Low participant turnout due to conflicting schedules or lack of awareness.
2. Technical difficulties (projector/audio failure) during presentations.
3. Resource person cancellation or tardiness.
4. Financial overspending beyond the proposed budget.

• Mitigation Measures:

1. Conduct early promotion via social media, posters, and classroom announcements at least two weeks prior.
2. Conduct AV equipment check one day before the event; prepare a backup laptop and portable speaker.
3. Secure a confirmed backup speaker/alternative resource person in advance; establish clear communication protocols.
4. Strictly monitor expenses during procurement; maintain a contingency fund of ₱300.00.

H. Manpower Requirements:

1. Angela R. Flores – Overall Event Coordinator (CSG President): Oversees all event logistics and serves as primary point of contact.
2. Bryan K. Navarro – Technical Committee Head: Responsible for AV setup, equipment testing, and IT support during the event.
3. Clarisse M. Santos – Finance Officer: Manages budget, procurement, and liquidation of expenses.
4. Daniel P. Cruz – Publicity and Promotions: Handles event materials, social media announcements, and documentation.
5. Eva J. Reyes – Logistics and Registration: Manages participant registration, venue preparation, and catering coordination.

I. Work Schedule & Expected Output:

Expected Output:

1. At least 50 students successfully complete the seminar and receive Certificates of Participation.
2. A post-event documentation report including photo documentation, attendance sheets, and evaluation forms.
3. An increased awareness among CS/IT students of real-world web development practices and career opportunities in the tech industry.
